FAX: 212-351-3401

Joze Welsh's practice focuses on intellectual property and technology-related litigation, including patent and antitrust litigation. Her experience includes preparing pleadings and contentions, drafting briefs, taking depositions, and preparing fact and expert trial witnesses in cases involving smartphone software, computer networking technology, medical and robotic devices, and consumer products. Ms. Welsh has also served as pro bono counsel in asylum proceedings at United States Citizenship and Immigration Services.

During law school, Ms. Welsh served as an Articles Editor of the Cardozo Law Review, a law journal dedicated to advancing empirical, interdisciplinary, and philosophical scholarship, as well as exploring cutting-edge national issues. Ms. Welsh also participated in Cardozo's Tech Startup Clinic, where she assisted tech startup clients with entity formation, funding questions, intellectual property issues, commercialization strategies, and operational and employment matters. Ms. Welsh additionally served as Research Assistant to Professor Michael Burstein, focusing on the intersection of intellectual property law and economics.
